Certified Clinician Dale Cunningham

Dale Cunningham is one of only two clinicians certified by Clinton Anderson to teach his method of Down Under Horsemanship. This Private Lesson Fundamentals Clinic features Clinton Anderson's signature training Method presented by Clinton's Certified Clinician, Dale Cunningham.

Whether you're an experienced horseman or a novice not sure which end to feed, you're sure to learn a lot from this clinic. Of course, riding participants will be taken step-by-step through most of Clinton's Fundamentals Course but spectators will also have a wonderful learning opportunity by watching 12 different horse/rider combinations go through the same exercises - each having different strengths and weaknesses and helping you learn how to cope with the challenges of your own horse.

But hold on, we are also offering everyone else the opportunity to observe and learn with a 20 minute question and answer time at the end of each day.

Cost: Participate with your horse - \$300 2-day clinic (August 28-29)
Limited to 12 horse/handler combinations per clinic.
Auditors (Spectators): \$25 one day. BBQ included both days.
